Urgent Notification

Prohibition of Firecrackers on School Premises

Dear Parents/Guardians,

We hope this communication finds you well. As Diwali is round the corner, it has come to our attention that some students have been engaging in the unsafe and disruptive practice of bursting firecrackers on the school premises. This behaviour not only poses a significant risk to the safety of all individuals within the school but also creates a disturbance that affects the learning environment.

We would like to remind all parents and guardians that the use of firecrackers in the school grounds is strictly prohibited. This regulation is in place to ensure the safety and well-being of all students and staff. We kindly request your support in emphasizing this matter to your children and advising them against participating in such activities.

Any student found violating this policy will face serious consequences as per the school's disciplinary regulations. We urge you to discuss this issue with your child and emphasize the importance of adhering to the rules and regulations set by the school authorities.

Please ensure that your child is aware of the potential dangers associated with the use of firecrackers and help them understand the importance of respecting the school environment and the well-being of their peers.

Thank you for your cooperation and support in maintaining a safe and conducive learning environment for all students.

Sincerely,
Team RGS

HAPPY LEARNING ADVENTURES

RAGHAV GLOBAL SCHOOL, SS-1, Sector - 122, Noida, UP-201316
