**EDUCATIONAL TRAVEL EXPERIENCE**

**Grade 7 & 8**

*"Travel is still the most intense form of learning."*

*Kevin Kelly*

Dear Parent,

Greetings!

At RGS, it is our endeavor to groom our children's personality and give them a holistic experience. The educational travel experience will allow children to engage in exploratory activities to facilitate acquisition of essential life skills and to apply these to real life contexts, beyond routine life.

This year's Educational travel for Grades 7 & 8 is being conducted as a **one night two days** outstation trip to the **Jim Corbett National Park**.

Located at the Himalayas' foothills, near the popular hill-station of Nainital, the beautiful Jim Corbett National Park, is famous for being home to many tigers, the highest among any Indian national park.. While on the jeep safari, children will enjoy the lush green forest's views cut across by streams and rivers and a few waterfalls. This trip will help children understand their relationship with the environment and their role in conserving resources. This will also give children time to discover and connect with their own capabilities, recognise and appreciate these in others and emerge with higher self-esteem and enriched peer relationships. The trip is being organized in collaboration with **Sarvottam Tours & Adventure Pvt Ltd** and will be conducted from **Friday, October 6, 2023 to Saturday, October 7, 2023**.

The students will be accompanied by teachers from the school and field experts and facilitators from **Sarvottam Tours & Adventure Pvt Ltd**. The day wise itinerary of the trip is shared below. The cost of the trip, including travel, accommodation and food is **Rs. 6000/-** (all inclusive) per child.
